PETITION AND FEE TO ACCEPT COLOR DRAWINGS
UNDER 37 C.F.R. § 1.84(2)

Honorable Commissioner of
Patents and Trademarks
Washington, D.C. 20231

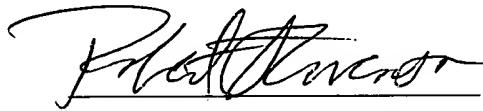

Dear Sir:

Applicants petition the Patent Office to accept certain color figures in the above utility application.

Specifically, the Applicants request acceptance of Figure 2, 3, 4, 5, 8, 9, 10, 11, 13, 14 and 15 in color. These figures represent color stainings of various biological samples. Black and white copies of these figures do not distinguish the staining from the biological samples themselves. Three copies of these figures are included with this petition. One copy is attached to the application.

The fee as set forth in 37 C.F.R. § 1.17(i) is included with this petition.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "Robert W. Stevenson", written over a horizontal line.
